#### **QUERIES**

- 1. List the staff belonging to the lib 20
- 2. list the name and salary of the staff whose sal is more then 1000
- 3. list the staffid and the name of the managers
- 4. list the name of clerks working in the lib20
- 5. list the name of sr librarian and librarian
- 6. list the details of the staff who have joined before the end of September 01
- 7. list the names of staff who are not managers
- 8. list the name of the staff whose staffid are 17369,17521,17839,17934,17788
- 9. list the staff details not belonging to the lib 10,30 and 40
- 10. list the staff name and sal whose sal is between 2000 and 5000
- 11. list the staff name who have joined before 30 dec 01 and after 30th jun 01
- 12. List the staff not eligible for commission
- 13. list the name of the designation of the staff who does not report to anybody
- 14. list the staff not assigned to any library
- 15. list eh staff who are eligible for commission
- 16. list the details of staff whose sal is greater then 2000 and not getting any commission
- 17. List the staff whose name start with an 'S'
- 18. list the staff details whose name start with an 'S' or end with 'S'
- 19. list the names of staff whose names have exactly 5 characters
- 20. List the names having 'I' as the second character
- 21. List the name, sal and Pf amount to all the staff (pf is 10% of sal)
- 22. list the names of staff who are more than 2yrs old in the organization
- 23. list the staffid, name and sal in ascending order of sal
- 24. list the staff details in ascending order of doj
- 25. list the staff name, sal, design and libno in descending order of libno and sal
- 26. list the staffname,sal,PF,HRA,DA and gross, order by the result in ascending order of gross(HRA 50% and DA 30% of sal).
- 27. for each staff, display the staffid, sname, sal and sal increased by 15% and expressed in whole number.
- 28. write the query that displays the staff name with the first letter capitalized and all others in lowercase and the length of the name for those staff who start with J,A or M sort by sname
- 29. for each employee, display the sname and calculate the number of months between today and the date the employee was hired.
- 30. create a query to display the sname and sal for all staff,format sal to be 15 char long,left padded with \$
- 31. display the sname,doj and day of the week on which they started for all the employees

- 32. list the number of staff working with the company
- 33. list the number of designation available
- 34. list the max sal of staff working as librarian
- 35. list the avg sal and number of staff working in the lib 20
- 36. List staff having experience greater than 200 months.
- 37. Declare certain percentage of bonus based designation.
- 38. Display each staffname, doj, and salary review date, which is the first Monday after six months of service. Label the column REVIEW. Format the dates to appear in the format similar to "Monday, the Thirty-First of July, 2000."
- 39. Print list of staff displaying "Good salary" if sal > 3000, "Average salary" if sal=3000 and "Poor salary" if sal < 3000.
- 40. Write a query to calculate the length of any staff has been with the company. Display in number of years and months. Staff hired on or before 15th are paid on last Friday of same month. Those hired after 15th are paid on last Friday of next month. Display first pay date of all the employees.
- 41. List staff hired on Monday.
- 42. Create a query that displays the staff names and commission amounts. If an staff does not earn commission, put "No Commission." Label the column COMM.
- 43. list the libno and number of staff in each lib
- 44. list the libno and the total sal payable in each library
- 45. list the design and the number of staff in each design. Display in the ascending order of number of staff
- 46. list the total sal,max and min sal and the average sal of staff job wise
- 47. list the avg sal for each job excluding managers
- 48. list the total sal,max,min and avg sal of staff jobwise for libno 20 only
- 49. list the avg sal for all the lib employing more than five people
- 50. list the jobs of all staff where max sal is greater than or equal to 5000
- 51. list the tot sal,max and min sal and avg sal of staff job wise for libno 20 only and display only those rows having sal greater than 2000 and order the result by the sum of sal
- 52. list the member details and book details for those members who have paid fine amount more then 200
- 53. List libno, lname along with total salary in each library
- 54. List employees located in delhi
- 55. List staff and lib details for libno 30 and 40.
- 56. List all staff who earn less than their managers. List their managers details also.
- 57. Find all staff who joined the company before their manager
